- I hereby give permission for my child to attend dance classes at the scheduled location and I understand that while every care and safety measure will be taken, participation in dance activities carries a risk of physical injury.
- I understand that dance is a 'hands on' art form and teachers or other students may on occasions have physical contact with students.
- I understand the Student is only supervised by the staff of the school during tuition. Appropriate drop-off and collection time must be arranged by the guardian/parent before and after tuition.
- I hereby indemnify TPDS or its servants or agents against any claim by me on behalf of the above named student in relation to any injury sustained to my child's person or any damage sustained to his/her property. Should it be considered at any time that the child requires medical assistance or hospital treatment, I hereby direct and authorise TPDS staff to obtain this assistance if needed.
